

COMPANY OVERVIEW...BGE Company is headquartered in Marvel, TX and has been providing trucking and logistics services to its customers since opening. We provide full-scale transportation services to our customers. Our offering of services, serves as an umbrella allowing us to implement a turn-key approach to any facility we are servicing. BGE understands the logistics required in the coordination of facilities support. We streamline these services and are always refining and defining precision as we deliver safe, superior transportation services. It is our goal to continue to grow to match the increasing needs of our customers both Government, Commercial and Private. Our professional commitment and personal accountability for your success make the difference, setting us apart from the "big guys" – one critical delivery at a time.

TECHNICAL SERVICES...Our company meets the growing demand for trucking and logistics services. We provide services in the following areas: General Freight Trucking (local and long distance), Specialized Freight, Warehousing & Storage facilities, Motor Vehicle Towing, additional Logistics and coordination services.

WHY US? Our reputation is on the line, with every delivery. It is this realization that drives us to deliver the best services. So we hire **the best** in the industry and we partner with the best when we need to.

We are a DEDICATED TEAM...Our **guarantee** when you work with BGE is that you will work with a team of collective skilled individuals that are dedicated to completing all contractual objectives within the scope of work. Ideas and collaboration are critical in our daily operations. We will manage every detail of every shipment to ensure **on-time and on-budget** results. Also we will assign one of our experienced team members to oversee the contract and provide regular feedback to the Contracting Officer and Contracting Officer's Representative (COR) as needed. Our dedicated team is not satisfied until we exceed all expectations. **We Will Only Be Satisfied When You're Satisfied.**

Solutions Reliability Performance

Past Performance...

Brooklyn: Provided relocation services for a medical clinic. Upon transport of the medical equipment the Doctor asked us if we could install some Xray machines because the contractor with whom he had contracted cancelled on him. We did not hesitate we became installers of X-ray machines. *The Doctor was able to open his clinic on time.*

Towing 288...

Got a call from a stranded female 2:00am. BGE got to her with in 10minutes of her call. Upon arrival she told us the other towing companies were giving her an 1hr. to 1hr. 30mins eta. We moved the vehicle to a safe place. Got the motorist home and delivered her car to the dealership the next day

Relocation...

A last minute relocation caused us to employ the team driver solution for a client who was moving from New York to Houston. The client misunderstood her start day at her new job, *and asked if we would get the truck to Houston in a day because the stuff she needed for her job was packed away on the truck. We got the truck there and offloaded. She was able*
